1. We appreciate your generosity to make a planned gift through a will, CPF nomination, insurance policies nomination or other assets to our Charity after your passing. Your gift will help our Charity to continue our mission and to spread the teachings of Buddha dharma for future generations lifetime after lifetime. Making a planned gift of your call assets to our Charity shows your great compassion.
2. This decision shows confidence in our charity that we will fulfil your wishes and ensure that your gift which is a result of many years of effort is used to provide future generations with the gift of the teachings of Buddha.
3. As our Charity's mission is to empower all with meaningful lives, we encourage you to take care of your family's needs first before supporting our Charity.
4. If you have previously made a Last will, CPF nomination, insurance policies nomination or other assets' nominations, the change will affect your previous beneficiaries that you nominated.
5. If you have not previously made a Last Will, CPF nomination, insurance nominations or other assets' nominations, your parent and siblings or possibly other relatives would be entitled by law to a share of your monies, estate, and other assets after your passing.
