A: Once Healing Festival starts on 05 Oct 2024. Please look out for our FB and Telegram post update on how to report your mantra counts.

A: Yes. As long as you complete the recitations you've pledged within the 49 days of Healing Festival period.

**Q: Why do I need to register and pledge?**

A: The registration is for TCCL to keep track of the recitations pledged and the number of participants who would like to pledge and will complete the 1,000 times of recitation within the 49 days of healing festival as they will receive the limited-edition chakra specially designed, commissioned and consecrated by Singha Rinpoche.

# General

**Q: What if I cannot complete what I pledged within the 49 days?**

A: As the Sutra emphasizes, completing the mantra recitation within the 49 days is incredibly beneficial. We encourage you to make an effort to recite some mantras each day. If, for any reason, you can't finish within the 49 days, please do your best to fulfil your pledge as soon as possible after this period. Your dedication matters, and every mantra recited brings us closer to healing.

**Q: If I recited more than 1,000 times, will I get more limited-edition chakras?**

A: We rejoice your efforts! While we can provide 1 chakra per person, you can encourage your family and friends to register directly and join us in the pledging.

**Q: What if I didn't pledge before registration deadline but completed my 1,000 recitations before end of Healing Festival Period, can I still get the limited-edition chakra?**

A: No, the limited-edition chakra will only be prepared for participants who signed up before the registration deadline because the office needs time to prepare the chakra due to its limited availability.
